QUOTES FROM OUR MONDAY MUSER, ANTON ARMSTRONG

“Our art forms transport our spirits . . . they are dynamic catalysts in the areas of performing, and of encouraging our moral beliefs and our social actions. They give us strength and courage.”

“Friends, what I’m asking you to think about this week as you learn how to do your art better is to be people who are servant leaders—to be people who create art to enrich others—but you need to enrich yourself first.”
